

# A bibliographical and critical account of the rarest books in the English language, alphabetically arranged

This volume is produced from digital images created by the Internet Archive for The University of Toronto Libraries. The Internet Archive and The University of Toronto Libraries seek to preserve the intellectual content of items in a manner that facilitates and promotes a variety of uses. The digital reformatting process results in an electronic version of the original text that can be both accessed online and used to create new print copies. To enhance your reading pleasure, HP's patented BookPrep technology is used to clean and remove aging as well as scanning artifacts.
