

Dogs Are... Just Like You! (Gabriels Tails) (Volume 1)

Dogs Are Just Like You! is a childrens picture book narrated by pet therapy dog Gabriel, a Weimaraner, who teaches children about empathy for animals, including how a child must look after his or her pet. Gabriel is also the Founding Dog of Gabriels Angels, a pet therapy charity for at-risk children. Sadly, in May of 2010, Gabriel passed away, but during his ten years as a therapy dog he reached over 10,000 children and left an inspirational legacy of unconditional love and promise for thousands of abused, neglected and at-risk children. Gabriels magical legacy continues with Gabriels Angels Pet Therapy Teams actively serving Arizona crisis nurseries, domestic violence and homeless shelters, group homes, residential treatment programs, and targeted school programs. The programs goal is to increase the overall sense of well-being and happiness for children in a safe environment, and to build critical core behaviors, such as trust, empathy, respect, tolerance and self-esteem.
