

American Reference Books Annual: 2014 Edition, Volume 45 (Arba and Index)

Comprising professional reviews of the latest reference resources written by practicing academic, public, and school librarians, ARBA will help all types of librarians build a strong reference collection for their library, no matter the size of their budget. Provides reviews of print resources, eBooks, subscription databases, and free reference websites, showcasing a wide spectrum of resources for users to consider. Presents unbiased evaluations that allow users to make their own decisions on the suitability of a given resource for their patrons' needs. Gives users access to reviews containing critical, relevant, and timely information from practicing, active librarians.
