

DISRUPTIVE INNOVATION: 12 Game Changing Principles for Marketplace Leaders in The Kingdom Economy

Are you are ready and looking for God to move in a supernatural way? Are you looking for the storehouses of Heaven to open and bring forth blessings of signs, wonders and miracles that will create a shift in the global economy? THE BLESSING of God is the ultimate Disruptive Innovation that will cause a major, if not the biggest, shift in the marketplace seen in the past few generations. Wikipedia defines Disruptive Innovation as An innovation that creates a new market by applying a different set of values, which ultimately (and unexpectedly) overtakes an existing market. This book has 12 principles that offer you a new look on Biblically based business that will help you become a Kingdom leader who can change the global marketplace into a conduit of finance to fund Spirit-led initiatives. Are you ready to create a shift? Mark Simpson is a retired Air Force colonel and award-winning author. With 30+ years of military and business experience he is helping military veterans and small business owners grow as marketplace leaders and entrepreneurs. He leverages his military leadership and strategic planning experience to help Christians partner with God in the Kingdom Economy. Mark is an avid cyclist, married to his high school sweetheart, Mary, and they live in Destin, Florida.
