

Dominoes: Three: The Faithful Ghost and Other Tall Tales Pack

A Tall Tale is a story that's hard to believe, and the five tall tales in this book all tell of ghosts. Some have dark secrets buried in the past, others bring messages for the living. Some are laughable, some are sad, and some are just evil. Sometimes there's a logical explanation for the strangest happenings, but often things cannot be explained by logic alone. Either way, you're sure to find some frightening reading between the covers of this book.
