

English from the base for all Spanish speakers: Ingles para Hispanohablantes (Spanish Edition)

Ingles para todo hispano hablante. Libro de texto y ejercicios en nivel basico y medio bajo que explica paso a paso en espanol, las estructuras gramaticales y la pronunciacion del idioma ingles. En el libro se explican con esmero y detalle desde el elemento mas basico de la gramatica del ingles hasta la construccion de oraciones complejas. El metodo se caracteriza por la forma innovadora de enseñar idiomas que consiste en tres etapas. Primero, se explica en castellano cada elemento de una oracion, luego se muestran varios ejemplos sobre ese tema, finalmente se invita al alumno a practicar lo que aprendio en ese parrafo, ejercitando la materia que este aprendio. De ese modo, el alumno se entera de la mayor parte de las reglas gramaticales para luego reproducir los mismos en las formas y posiciones correctas. El metodo de aprendizaje se orienta a la idea de que la logica humana puede aprender un idioma realizando 4 etapas: entendiendo, absorbiendo, reproduciendo y repitiendo. Para el aprendizaje de un idioma extranjero, la repeticion es de suma importancia, puesto que solo de esa forma quedan grabadas en la memoria, el vocabulario, la pronunciacion, los acentos y la gramatica
