

German Immigrants, Lists of Passengers Bound from Bremen to New York, 1863 - 1867

The third volume of the German Immigrants series lists passengers from Bremen to New York between 1863 and September 1867. In effect, it is a partial reconstruction of the Bremen records, based on official passenger lists and manifests in the custody of the National Archives. Not all of the Bremen passengers of the 1863-1867 period are included in this work--only those for whom a specific place of origin is noted in the manifests. Similar in arrangement to Item numbers 6580 and 6581 above, this volume provides place of origin information on about 35,000 immigrants.
