

## Getting Started on Your Genealogy Website

BE PART OF THE GOLDEN AGE OF INTERNET GENEALOGY! For a few pennies a day, a genealogy website invites all other genealogists in the world to see and help you with your own research. A genealogy website puts you in contact with those distant cousins. With a genealogy website, you are saying, Hey Cuz, are you out there? 1. An understandable coverage of a technical subject matter 2. A website development methodology 3. A detailed explanation of how to organize the information of your genealogy website 4. An explanation of what you'll need (and how to use it) to create your genealogy website 5. How to turn your genealogy website into a genealogy book Wholesale - [Click Here](#)
