

Horse Camp (Timber Ridge Riders Book 11)

After flying home from Beaumont Park for their parents wedding, Kate McGregor and Holly Chapman are faced with Mrs. Deans grandiose plans to turn Timber Ridge into a millionaires playground and theme park. The girls can deal with an elite horse camp . . . but carnival rides and cotton candy stands on top of their beloved hunt course? No way. Itll drive the horses nuts, never mind destroy a bunch of endangered wildlife. And so, while coping with privileged camp kids who dont even know how to bridle their ponies and Angelas reluctance to help out, Holly and Kate have to find a way to block Mrs. Dean. She will ruin Timber Ridge Mountain if they dont. On top of all this, Angela has a new boyfriend and Kate is convinced shes seen him before. But where?
