

The Goodrich Family in America: A Genealogy of the Descendants of John and William Goodrich of Wethersfield, Conn.; Richard Goodrich of Guilford, ... a Short Historical Account of the Family in E

Excerpt from The Goodrich Family in America: A Genealogy of the Descendants of John and William Goodrich of Wethersfield, Conn.; Richard Goodrich of Guilford, Conn.; And William Goodridge of Watertown, Mass.; Together With a Short Historical Account of the Family in England, the Origin of the Name

A Full half-century has passed away since the work of compiling genealogy of the Goodrich family was systematically begun. It was first undertaken by Benjamin Douglass Goodrich (No. 687), and carried on until placed in the hands of his son, Rev. Hiram Plummer Goodrich, D.D. (No. 1497), a distinguished Presbyterian minister of St. Louis, Mo., a man of great force of character and especially fitted for the work. He devoted years of patient labor, and was at great expense in the search for information. He crossed the ocean twice in the prosecution of the work, visited Goodrich Castle, searched records abroad and at home, and made a very extensive and, it is supposed, a very complete collection of material for the book, bringing the work down to 1861, when he died. During these years of research he was ably assisted by Hon. Aaron Goodrich of St Paul, Minn., president of the Goodrich Family Association, and who has recently died, and who also visited Goodrich Castle and brought away the views that adorn this memorial, presenting them to the Association. After the death of Rev. Hiram P. Goodrich, his large collection of material was brought to Chicago, and during the war of the Rebellion was carefully packed labeled, and deposited in the library of the Chicago Historical Society for safe keeping. Here it was destroyed in the great fire of 1871. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a

reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
