

## Louisiana Almanac: 2008-2009 Edition

This compilation is the most up-to-date source available for Louisiana statistical data. An important reference guide for more than 50 years, the Louisiana Almanac is now in its 18th edition and is packed with more facts and figures than ever before. There are easy-to-locate entries for politics, history, science, business, medicine, education, laws, recreation, agriculture, attractions, and nearly any other informational item one could seek out. Known for its politics, its natural resources, and its colorful history, the Pelican State is one of the most intriguing states in America. Available in paperback and hardcover, this latest edition is a complete, ready reference.
