

## Santas Disguise

On Christmas Eve, the whole world celebrates except for one poor family, Bartholins who are starving and shivering in their small house with very little wood for the fire and a bowl of broth for food. An old man at their door that evening needs shelter and food. They comfort him and part away with the last bowl of broth. He gives the little girl in the family a small rock and tells her that Santa leaves no child without a toy on Christmas Eve. He leaves telling them that he has tons of toys to deliver. They see him vanish into the sky in his sleigh. He is Santa who gave a wishing rock to the little girl. Life changes as the girl wishes and wishes. Bartholins experience a magical Christmas. They join the world in the celebration too.
