Module 3 Part 2 Student Reader: This Learning English with Laughter book is an ESL curriculum for INTERMEDIATE STUDENTS. This is a publication of Learning English with Laughters Teen-Adult Series. There are four Modules in this series. This Student Reader is part of a series of the three books, Student Reader, Workbook and Teachers Guide that comprise Module 3 Part 2. It is for English second language beginners aged 13 years and older. It has 41 pages for 20 lessons of approximately 90 minutes each. This book introduces a vocabulary of 273 new words. Many of the exercises and activities will be incomplete if bought without the series Student Reader, Workbook and Teachers Guide. **THE STUDENTS DO NOT WRITE IN THIS BOOK, CONSEQUENTLY IT CAN BE USED BY MORE THAN ONE CLASS.** This allows schools that provide the books for their students to collect and re-issue them for the following semester. It also lets a student who has purchased this book, re-sell it to an incoming student. The availability of the Modules in two Parts allows schools, colleges and universities to provide books for half of each Module at a time. This allows flexibility in administering the program. This Student Reader provides the introduction and explanation of all new grammar points as they are incrementally introduced. The following Grammar concepts and types of activities are introduced in this Student Reader. They are then integrated and reinforced through large and small group oral activities, role-plays in the Workbook and Teachers Guide. - English vocabulary - Listening, understanding and reading orally - Small group question, answer and check answers activities - Whole class activity rooms in a house - Small group activity - Identifying personal things - Whole class brainstorming - Telephone conversations role-plays - Party plans - Listening and

The students do the written work in the Workbook. ALL ANSWERS, TESTS AND EXTRA ACTIVITIES IN THE TEACHERS GUIDE CAN BE PHOTOCOPIED. This book is the sixth Student Reader of a series that includes Workbooks and Teacher Guides. The conversational material provided stimulates laughter, creating an enjoyable and relaxed learning atmosphere.
