

My First Encyclopedia

My First Encyclopedia is the perfect all-around reference book to start young children off on a lifetime of learning. Children can look up topics ranging from dinosaurs to food and find helpful explanations that are written to just the right age level. Colorful illustrations and eye-catching photography help explain each subject. Also in the series: My First Phonics Dictionary, My First Atlas, My First Book of Animals, My First Dictionary, My First 1000 Words, and My First English-Spanish Picture Dictionary
