

Dog Gone

A best friend is worth everything. I darted into the cemetery and hid behind a tombstone. I hunched myself up, balancing on the balls of my feet, and peered desperately into the night, listening for whoever was out there to make another sound. It was freezing - I had trouble keeping my jaw clamped shut so my teeth didn't chatter. Ish's dog is gone. Vanished in a country town. Mums on holiday, Dads in Sydney. Ish and his bossy sister Molly are staying with Gran. There are no clues. Only something mysterious in the town's graveyard. Then a bully from the local school starts to blackmail Ish. Can things get any worse?
