

Jane Eyre, Oxford Bookworms Library: 2500 Headwords

A level 6 Oxford Bookworms Library graded reader. Retold for Learners of English by Clare West. Jane Eyre is alone in the world. Disliked by her aunts family, she is sent away to school. Here she learns that a young girl, with neither money nor family to support her, can expect little from the world. She survives, but she wants more from life than simply to survive: she wants respect, and love. When she goes to work for Mr Rochester, she hopes she has found both at once. But the sound of strange laughter, late at night, behind a locked door, warns her that her troubles are only beginning.
