

Oxford English for Careers: Oil and Gas Class Cd

A pre-intermediate course for students studying for a career in the oil and gas industries, who will need English to communicate at work. A new, up-to-date course where students learn the English they need for a career in commerce, tourism, nursing, medicine, or technology. Oxford English for Careers is a series which prepares pre-work students for starting their career. Everything in each Student Book is vocation specific, which means students get the language, information, and skills they need to help them get a job in their chosen career.
