

## Bruins Home (Book 4): Adjustments (Im Fine!...or, Not.) (Volume 4)

BRUINS HOME--written in verse, is a series that chronicles the triumphs and setbacks of an older puppy, adopted from a shelter. Abused, beaten and abandoned, Bruin has many issues to overcome, but, he is also a rascal. A canine Huck Finn, Bruin is used to looking out for himself. Gradually, through his adventures and misadventures he learns to let go of his fears, and to trust again. Join Bruin in his journey to becoming a trusted family member. Im Fine!...or, Not. is the fifth book in the series, Bruins Home, and the fourth book of four under the theme, Adjustments. Bruin in a new environment, finds he is going through an adjustment period, a crisis, if you will. The patterns, habits, survival skills he knows, and knows well, no longer are appropriate. And, his abuse and neglect have left him emotionally and physically in a constant state of alert. Looking at crisis from a Christian perspective, this series has already covered the traditional stages, Fright/flight, Anger/Depression, Denial, is now ready to move into the last stage, Acceptance. Through his newly found friends, Maddie and Reggie, Bruin works through the crisis, and finds new habits and mechanisms to help better cope with change, good or bad, that may come his way.
