

## Keith Doodle Saves Christmas

If no one has ever seen Santa, how do we know what he really looks like? The North Pole is in crisis trying to figure out an answer to this question. People have stopped believing in Santa, since they have never seen him before. Keith Doodle Saves Christmas is the light-hearted story of a frustrated elf that uses his hidden talents to address the growing doubts surrounding Santa and Christmas. This story speaks to the creative spirit in us all and emphasizes the importance of artistic expression in touching the hearts and minds of people around the world.
