

Glimpses of Contemporary China--Shopping Adventures (Chinese Edition)

Exploring Contemporary China Series tells stories of ordinary Chinese peoples daily lives, and displays different aspects of Chinese society, which will help readers to gain a greater and real-to-life knowledge of Chinese culture while learning Chinese. The series has 10 volumes, each of which details one aspect of China, including Chinese food, transportation, family life, education, cities, and sports. There are many pictures in the series, which will help readers to gain a direct knowledge of China. The series can be used as Chinese teaching material, as reading material for teaching Chinese culture, or as after-class supplementary readings.
