

# Shaping Learners Interactive Skills Through Tasks Based Learning with Authentic Audiovisual Materials

Research paper from the year 2015 in the subject English - Pedagogy, Didactics, Literature Studies, grade: 4.7 out of 5.0, , course: Languages, language: English, abstract: This study analyzed the use of tasks based on authentic audiovisual materials with the intent to shape students interaction during English class sessions. It was centered on how the use of social-cultural contents from a real English speaking community can incentivize the undergraduate students enrolled in an English teaching degree program at Francisco Jose de Caldas State University with vocabulary, correct pronunciation, and awareness of the accent and intonation varieties in order to build confidence in using the language. In the end, I was able to respond to my research questions with the results from this study.
