

Ollie the Collie takes a Ride on the Trolley

Throughout the centuries, people have looked for signs in the heavens to reveal the will of God. In this compelling new revelation, Pastor Larry Huch combines the promises and prophecy in Gods Word, the predictions of NASA, and patterns in history to reveal what lies ahead. On this exciting journey, youll find out: Where are we in Gods prophetic timeline? Why is prosperity part of the equation? When can we expect the blessing of the latter rain? What is my role during these end times? Get ready for prophecy to be fulfilled! Take the doom and gloom out of the end times, and expect Gods end-time transfer of wealth, prosperity, and blessing in your life. Your future begins now!
