

With Your Fresh Thoughts

Written by an English professor, *With Your Fresh Thought* offers entertainment and learning for children of all ages (and even adults). Poet Jessa R. Sexton has written twelve different poem forms from sonnet to haiku. Each is beautifully illustrated by a different artist from OMore College of Design in Historic Franklin, Tennessee. Equipped with a section on how to write each of the 12 poem forms, this book is excellent for teachers, students, homeschoolers, or any writing or poetry enthusiast.
