

The Beatles: A Collectors Guide to Beatles Memorabilia

Take a magical mystery tour through time, following the trail of Beatles memorabilia left behind by the Fab Four from their early days in Hamburg, through the Ed Sullivan show, right up to the present day and Anthology I. A dazzlingly wide range of collectibles parade across the pages of this colorful text in over 730 color photographs including records, posters, movie memorabilia, jewelry, books, and fan club mementos. New Beatles collectibles are fully addressed here for the first time. Included as well are a history of the Beatles and their later solo efforts, Beatles art work created by inspired artists, and newly revised values for all of the collectibles presented in the text.
