

The Everything Guide to Writing a Romance Novel: From writing the perfect love scene to finding the right publisher--All you need to fulfill your dreams (Everything®)

Every year, thousands of romance manuscripts are submitted to publishers, but only the best are eventually published. This simple guidewritten by two awardwinning romance novelistswill show readers what it takes to break into this highly competitive market and will provide them the information they need to get their manuscript out of the slush pile and onto the bookshelf. Readers will learn how to do the following techniques: build a story from premise to plot; add a fresh twist to a classic storyline; create compelling characters; write sizzling sex scenes that carry an emotional punch; research agents and markets; write a story that an editor cant reject; and promote themselves and their work. New writers, and even experienced writers, will find the solid howto information here invaluable. This is a musthave for aspiring writers who want to write the perfect love story.
