

## the HOW of leadership: unleashing the capacity of your people

Leaders know the value of trust, innovation, and emotional intelligence in achieving success and satisfaction at work. However, behind these concepts are specific behaviors and mindsets that often are not understood or well articulated. Rob Reindl, with his track record of building a highly effective work force in a fast-growing company, has rare insight into the complexities of human interaction. In this book, Rob shares his secrets to unleashing individual and organizational capabilities. The HOW of leadership distills the wisdom of Robs leadership workshops in short, succinct chapters and crisp graphics. This slim volume is designed to carry with you, not just to read once, but to refer to for valuable inspiration and motivation every day. Rob Reindl is President and Founder of Rob Reindl Organization Consulting Services, Inc. As Corporate Vice President, Human Resources, at Edwards Lifesciences for nearly 13 years, he played a key role in the development of the companys culture during its pivotal years of growth.
