

The Littlest Elf Illustrated by Joy Conway

Christopher e. Cricket is a curious cricket. While all of his friends are getting their dens ready for the upcoming winter, he decides that he wants to see what winter is actually like. His dreams and expectations, however, cannot possibly prepare him for what winter truly has in store. In *The Littlest Elf*, Christopher e. Cricket is able to experience Christmas for the first time. Along his adventures, he sees his first Christmas tree, makes new friends and, most importantly, discovers the true beauty of winter and the meaning behind the season.
